

# Get in on the Action!

## Police/Security

Introducing **GoPet™**, the electric vehicle designed to be used by police and security personnel for fast, quiet response in emergencies, as well as day-long patrols and surveillance. With its top speed of 16 mph, a range of over 25 miles per charge and the ability to be used both indoors and outdoors, the **GoPet** is ready for duty.

**GoPet** features fatigue-fighting rubber foot pads, a wide standing platform for safety and stability plus pneumatic wheels for a smooth ride.

**Get your security team in motion... with GoPet!**

**Finally, a Personal Transporter that's Economical, Efficient, and Easy to Use!**
